AMEND Senate Bill No. 2168*

House Bill No. 2285

By deleting subdivision (h)(3) of the amendatory language of SECTION 3 and substituting instead the following:

(3) If an order of protection or restraining order has been issued against an offender arrested for an offense listed in subdivision (h)(1), but the offender has not been served with the order prior to incarceration, the offender shall be served with the order prior to the offender's release from incarceration. If an order has not been served on the offender at the conclusion of the offenders twelve-hour holding period, the offender may be released but the order shall be served as soon as possible after such release. Service remains valid on an offender if it is made after the offender is released from incarceration rather than while incarcerated for the twelve-hour hold period.
